

JOSH SETTERFIELD

WHO IS JOSH SETTERFIELD?

You haven't seen energy in country music till you've seen Josh Setterfield.

One of country's most exciting and rapidly growing artists. An entertainer, singer-songwriter, producer, like no other. Injecting country rock with catchy pop to create a signature sound. Josh is fuelling country music with a fresh sound, impressing taste makers around the globe – If you haven't heard the name you're about to!

"A superstar in the making..."

- iHeart Radio / Countrytown

Over one million streams on Spotify alone and a plethora of success behind his groundbreaking single 'Right About Now' including a #1 on CMT, global playlist additions across Apple Music, the face of Spotify's Fresh Country and third most downloaded song to metro radio. Josh continues to build a loyal fanbase around the country with every release and stage he steps on. Delivering nothing short of impressive & entertaining performances at major festivals, PBR and alongside names like Love & Theft (USA), Casey Barnes, The Wolfe Brothers and more.

Here to push the boundaries and continue to lift the bar, he is an entertainer like nothing you've seen in country music.
